

KNOWHOW ACADEMIC ENGLISH CLASSES

SPEAKING AT UNI - SYLLABUS OUTLINE: SEMESTER 1 2022-23

This course aims to help you to improve your speaking confidence and develop your seminar skills.

Each session will include some seminar-style speaking practice and a chance to share ideas and experiences of online seminar discussions. We will work together to develop a set of practical suggestions for you to apply in your seminars and group work activities.

These classes are open to all faculties: undergraduate students, postgraduate students, research students and staff.

Students who attend 75% or more of the course will be eligible for a **Certificate of Participation**.
